### How Does It Work?

Our imaging and surgery benefits are implemented alongside your current self-funded health plan and employees call our navigators for any elective procedure prior to scheduling. This benefit is classified as an Out-of-Network benefit that has no cost to you.

### How Much Does It Cost?

It is **NO COST to you** as your employer provides your imaging and surgical benefits as part of your medical plan.

### How Does This Work Alongside My Health Plan?

Our program is set-up as a **stand beside solution to your current health plan**. We add a plan amendment to your current SPD that classifies our benefits as **Out-of-Network benefits that have no cost to you**.

### How Does This Work With an HSA or HDHP?

There is a special work around that occurs with an Health Savings Account or High Deductible Health Plan that allows your employer to extend imaging and surgical costs at no cost to employees.

- You may be asked to pay a portion of the procedure cost.
- Your employer would then reimburse you for that amount.
